TO WHOM IT MAY CONCERN

Dear Sir/Madam:

Right now, this very moment, millions of people need hope. They need food, clothing, education, and medical help. They need hope for a better tomorrow. These people are not just in some far away country. They are also right around you. Some may be in your neighborhood. We hear about them when hurricanes and tornados touch down. When a devastating earthquake strikes, we see and feel their pain. We see their lives in chaos from fires and accidents over which they have no control. However, when a disaster strikes, we depend on people like you who care enough to bring hope back to devastated lives.

It's through your concern and generosity that we can provide assistance to those in need. This is done through a special program called "**Hope for Humanity**". This program is sponsored by your friends the **Seventh-day Adventists**. Our goal is to continue to give hope to all people.

Therefore, we appeal to you to make a tax deductible donation to support the Hope for Humanity program. Remember, it is your help that brings hope. If donating by check, please make check payable to **Northeastern Conference** and write "Name of Local Church"/**Ingathering** on the memo line. Thank you for your support.

May God's richest blessings be yours as you help us to minister to those that are in need.

Yours in the Master's Service,

Dr. J. Kendall Guy  
NEC Personal Ministries Director
